## DIRECTOR

Micky Flexas was born in Palma de Mallorca in 1975. He was an actor of former theater group Xicarandana (Balearic Islands) and also took part of some rock and pop-rock music bands. Today he is the producer and plays keyboard for DC-3 rock-band (Palma de Mallorca). A few years ago, he founded the non-profit association Mallorca Creativa, dedicated to the production of audiovisual works. In early 2012, Micky presented the pilot of *siKnum*, a mystery web-series that he had created with his brother Albert. The pilot, the music of which was also composed and performed by Micky, was a local hit. However, the project ([www.siKnum.com](http://www.siKnum.com)) was too large to be completed without funding, so Micky and Albert began to direct and produce short films and music videos. The first Micky's short film as director was *Wrong Secrets* (late 2012), and now is about to present his second short, *Untitled* (2014). In both titles Micky has also continued its work as composer. In addition, Micky recently joined his passion for music and filmmaking on another project: the music video for the song "Miro al cielo" (*I look to the sky*), by the Majorcan pop group "Gin Tonic Band".
